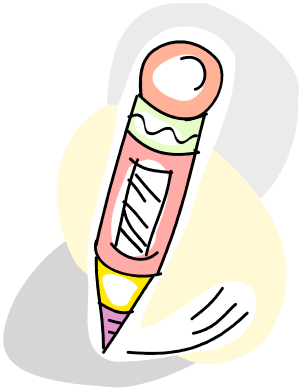
# Summarizer

Name: _____ Date: _____

Title: _____

Author: _____ Chapters/Pages: _____



Congratulations SUMMARIZER! You have been chosen to write a brief summary of the story prior to your next group meeting. Remember, your summary should include characters, important events, as well as any other important information. It is easy to forget what you read from day to day. This is to help your group review what has been read. Thank you for all of your hard work!
